

Privacy Filters: Black Glossy/Black Matte

With a Gearlab® Black Privacy Filter you get a crisp and clear rendering of your display, while people on either side only see a glossy or matte black shield. At the same time, you protect the sensitive screen surface from scratches and damage.

Protect your company data and GDPR compliance – both on the move and in the office – by keeping your login credentials, sensitive personal and confidential data unexposed to unwanted onlookers.

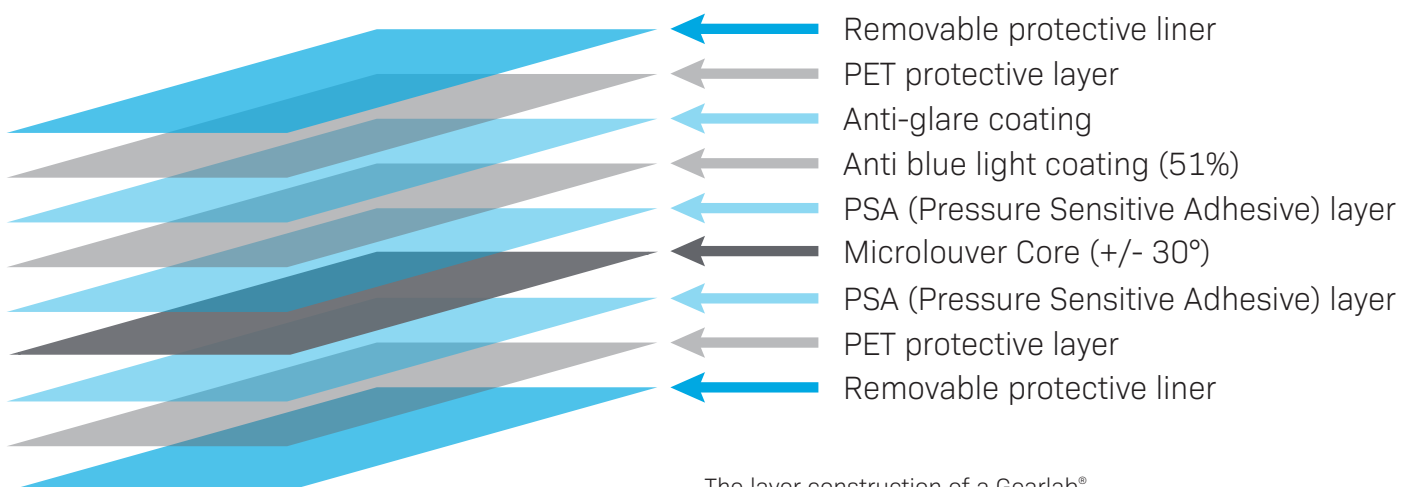

Features

- Available for laptops and desk monitors
- Installation guide on the back of the end-user packaging
- Attachment strips and slide mount taps for easy installation included
- Easy to attach, remove, reattach and clean
- 2-way, landscape privacy filter
- Compatible with touchscreens
- Anti-glare and non-reflecting (matte finish)
- Reduces 51% of blue light transmission
- Reversible with glossy and matte viewing options

Gearlab® Privacy Filters for monitors and laptops.

The layer construction of a Gearlab® Privacy Filter: Black Glossy/Black Matte.
