

Product title

8GB DDR3 PC3-12800 1600Mhz 240PIN DIMM

Part code – MEM128008GBD

Key Benefits

- Lifetime warranty on all products.
- Extensive QA testing program to ensure the highest quality products.
- 100% JEDEC Compliance.
- Retail packaged.
- Full UK based technical support service.
- Full range of parts including legacy products and the latest technologies

Specification

8GB PC3-12800 DIMM

Capacity – 8GB

Speed – 1600Mhz

Technology – DDR3

Voltage – 1.5v

CL – Cas latency – CL11

Dram Config – 512X8

Rank – Dual Rank

Form – 240pin Dimm
