

## **Product title**

16GB DDR4 PC4-21300 2666Mhz 288PIN DIMM

Part code – MEM2130016GBD

## **Key Benefits**

- Lifetime warranty on all products.
- Extensive QA testing program to ensure the highest quality products.
- 100% JEDEC Compliance.
- Retail packaged.
- Full UK based technical support service.
- Full range of parts including legacy products and the latest technologies

## **Specification**

16GB PC4-21300 DIMM

Capacity – 16GB

Speed – 2666Mhz

Technology – DDR4

Voltage – 1.2v

CL – Cas latency – CL19

Dram config – 1024X8

Rank – Dual Rank

Form – 288pin Dimm
