

Product title

16GB DDR4 PC4-21300 2400Mhz 260PIN SODIMM

Part code – MEM2130016GBS

Key Benefits

- Lifetime warranty on all products.
- Extensive QA testing program to ensure the highest quality products.
- 100% JEDEC Compliance.
- Retail packaged.
- Full UK based technical support service.
- Full range of parts including legacy products and the latest technologies

Specification

16GB PC4-21300 SODIMM

Capacity – 16GB

Speed – 2666Mhz

Technology – DDR4

Voltage – 1.2v

CL – Cas latency – CL19

Dram config – 1024X8

Rank – Dual Rank

Form – 260pin SODimm
