

Product title

8GB DDR4 PC4-21300 2666Mhz 288PIN DIMM

Part code – MEM213008GBD

Key Benefits

- Lifetime warranty on all products.
- Extensive QA testing program to ensure the highest quality products.
- 100% JEDEC Compliance.
- Retail packaged.
- Full UK based technical support service.
- Full range of parts including legacy products and the latest technologies

Specification

8GB PC4-21300 DIMM

Capacity – 8GB

Speed – 2666Mhz

Technology – DDR4

Voltage – 1.2v

CL – Cas latency – CL19

Dram config – 1024X8

Rank – Single Rank

Form – 288pin Dimm
