

Product title

16GB DDR4 PC4-25600 3200Mhz 288PIN DIMM

Part code – MEM2560016GBD

Key Benefits

- Lifetime warranty on all products.
- Extensive QA testing program to ensure the highest quality products.
- 100% JEDEC Compliance.
- Retail packaged.
- Full UK based technical support service.
- Full range of parts including legacy products and the latest technologies

Specification

16GB PC4-25600 DIMM

Capacity – 16GB

Speed – 3200Mhz

Technology – DDR4

Voltage – 1.2v

CL – Cas latency – CL21

Dram config – 1024X8

Rank – Dual Rank

Form – 288pin Dimm
