WIRED TOUCHPAD

Searching for light, silent and reliable wired touchpad? Then PERIPAD-504 is the right one for you with its large, responsive, and multi-gesture touchpad and two buttons for easy navigation and comfortable, professional experience.

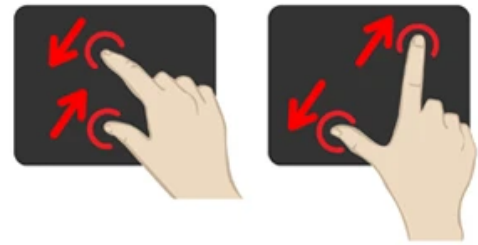

MULTI-TOUCH GESTURES

Multi-gesture design supports pointing, two-finger zoom in/out, sliding, tapping and scrolling up/down. Left and right click buttons are super responsive.

SMOOTH NAVIGATION

With only 136 g and compact design fits comfortably right-handed and left-handed users. Simply switch the primary and secondary button from system setting and go for it!

PROFESSIONAL IMPLEMENTATION

With its 1.8 m cable it's ideal for professional application including rack drawer space, kiosk, server room, especially for users with physical challenges.
