USB-C PD3.1 Power Adapter 130W

5-20V 3-6.5A, USB PD3.1 Including EU Power Cord (C5)

USB Type C is the new norm for charging all devices. USB-C Chargers are smarter, efficient, and truly universal as they work across all brands. You can top up phones & other devices faster without using any converter/adapter conveniently as it comes with reversible connector.

CoreParts offer USB-C Chargers in all sizes from 12Watt to 130Watt PD3.1 in desktop version.

USB Power Delivery, or USB PD, is a charging protocol that uses High speed USB-C connectors and cables. Smartphones, tablets, and laptops that are Power Delivery-enabled allow safe, faster charging and more power for larger devices, without the need of a separate power supply. USB PD will Charge your smartphone up to 70% faster than standard 5W charging.

- High Quality
- Tested and certified
- Matching Performance
- Reliable with 12 month Warranty
