33W USB-C Nano Single Port Charger, GaN Technology 5V2A-20V1.5A USB PD Plug: USB-C EU Wall - Compatible with all brands of Tablets and mobile devices

Introducing the latest marvel in our Nano Series, the 33W USB-C Charger in sleek black! This powerhouse, equipped with a GaN Chip and PD 3.0 technology, is designed to revolutionize your charging experience. What sets it apart? It's not just compact, powerful, and robust; it's universally compatible with all brands of laptops, tablets, mobile phones, and devices featuring a USB-C port.

Nano Series Innovation: As part of our Nano Series, this charger represents a leap forward in charging technology. With PD 3.0 support, it aligns perfectly with our series' mission to redefine the benchmarks for performance and design.

Compact Powerhouse: Small in size but big on performance, our 33W USB-C Charger is setting a new standard for compact chargers. Its GaN Chip technology efficiently delivers 45 watts of power, making it a true workhorse.

Lightning-Fast Charging: Speed is at the core of the Nano Series. Thanks to PD 3.0, your devices will charge at an astonishing pace. Keep up with the hustle and bustle of your daily life, all without the agonizing wait for a full battery.

Built to Last: The Nano Series is known for quality, and this charger is no exception. It's robust, enduring, and reliable, making it a long-lasting addition to your tech arsenal.

Superior Materials: In elegant black, our charger is more than just stylish - it's made from premium materials that assure both form and function. It's not only a charger but a statement piece for your setup.

Universal Compatibility: The true magic of our 33W USB-C Charger is its universal compatibility. It seamlessly works with all brands of laptops, tablets, mobile phones, and any USB-C enabled devices. No need to juggle multiple chargers; the Nano Series has you covered.

Elevate your charging experience with the 33W USB-C Charger from our Nano Series. It embodies the future of charging technology, where innovation, power, quality, and universal compatibility converge. Say farewell to the days of slow charging and embrace the dynamic world of the Nano Series - where compatibility knows no bounds, and your devices are always powered up and ready for action.

- Compact, Powerful, and Fast Charging
- Tested and certified
- Superior Performance
- Reliable with 12 month Warranty

Caractéristiques

Design	Bouton marche/arrêt intégré	Non
--------	-----------------------------	-----

Design	Couleur du boîtier	Noir
Features	Certification	CE
	Couleur du produit	Noir
	Fréquence d'entrée	50 - 60 Hz
	Matériau du boîtier/corps	Plastic
	Puissance de sortie	33 Watt
	Tension d'entrée	110-230 V
	Type d'alimentation d'énergie	Indoor
	Type d'énergie courante	CA vers CC
	Utilité	Universal
	Other features	Protection contre les court circuits
Protection contre les surcharges		Oui
Package dimensions	Depth (package,cm)	3 cm
	Gross Weight (Package, kg)	0,36 kg
	Height (package,cm)	7 cm
	Width (package,cm)	3 cm
Packaging content	Types de fiches d'alimentation fournies	EU
Packaging data	Quantité	1 kusu
Performance	Connecteur(s)	USB-C
Power	Ajustement de la tension de sortie automatique	Oui
	Tension de voltage à l'entrée (min)	100 V
Product dimensions	Height (product,cm)	7 cm
	Net Weight (Product, kg)	0,02 kg
	Product Depth	3 cm
	Product Width	3 cm
Technical details	Consommation d'énergie (mode veille)	0,1 Watt
	Puissance	33 Watt
Vendor information	Brand Name	CoreParts
	Warranty	1 Année (s)
